SPEAKER MARVEL PRESIDING

SPEAKER MARVEL: Motion lost. Any other items?

CLERK: Mr. President, before we proceed, I have some items to read in if I may. Mr. President, I have a communication from the Governor. (Read: Re: LB 995.) (See page 1798 and 1799, Legislative Journal.)

Mr. President, Senator Warner would like to have a meeting of the Appropriations Committee at 1:00 p.m. in Room 1003.

Your committee on Enrollment and Review respectfully reports they have carefully examined LB 611 and recommend it be placed on Select File; 933 Select File with amendments; 647 Select File.

Senator Wesely offers a new resolution, 339. Read. (See pages 1800 - 1802, Legislative Journal.) That will be laid over, Mr. President.

It sounded like one million out of six million was going to be used. However, his specific amendment referred to one part of our bill, one part of the law, which you will find on page 8. It involved Program #33 and it involved capital expenses of \$1,862,000. Now to take a million dollars out of a million eight is quite a substantial cut and
